About Us

Founded in 2013, A Quality Home Care, Inc.'s mission is to provide comprehensive, high quality home care services to our clients by creating strong partnerships with families, case managers, discharge planners and physicians. We believe in creating a team of caring professionals whose goal is the care and support of our clients.

We specialize in...

Skilled Nursing

Comprehensive assessments and evaluations of client's health, associated risk factors, medications (effectiveness, knowledge, and proper adherence), and home safety.

Direct patient care (ex: wounds, INR monitoring, glucose monitoring, VS, intravenous therapies, phlebotomy, etc.)

Case management and communication with outside providers.

Education on disease processes, medications, and health improvement measures - in order to promote maximum independence.
